THE FIRM IN BRIEF

Building confidence through audit, tax and advisory.

SBR Chartered Accountants L.L.C. is an independent UAE professional services firm providing audit, taxation, accounting and business advisory solutions.

We work with startups, SMEs, family businesses, multinational companies and branches of international groups.

10+

YEARS

Practice heritage in the UAE market

500+

CLIENTS

Across diverse industries and jurisdictions

200+

AUDITS

Conducted annually under international standards

500+

TAX ENGAGEMENTS

Corporate Tax and VAT mandates delivered

OUR STORY

Built on experience. Driven by excellence.

SBR Chartered Accountants was established to give businesses practical financial advice, independent assurance and trusted tax expertise.

The firm combines technical knowledge with commercial understanding, supporting organisations from entrepreneurial ventures to multinational groups through an increasingly complex regulatory environment.

Practice heritage in the UAE dates back to 2014; the present entity, SBR Chartered Accountants L.L.C., was established in 2025.

OUR PHILOSOPHY

01 Independence

Objective advice built on integrity, professional ethics and confidentiality.

02 Excellence

Technical quality delivered through skilled and experienced professionals.

03 Partnership

Long-term relationships built on trust, responsiveness and measurable value.

2014

Practice heritage in the UAE begins

Today

Trusted by 500+ businesses

Trusted experience. Practical solutions. Lasting partnerships.

Businesses need more than compliance. They need advisers who understand commercial reality and give clear answers.

 Partner-led engagements Senior involvement from scoping through to sign-off.	 Technical excellence Depth in IFRS, UAE Corporate Tax, VAT and assurance.	 Commercial understanding Advice aligned to how the business actually operates.
 Responsive service Accessible professionals and communication you can plan around.	 Regulatory confidence Meeting evolving UAE requirements without disruption.	 Long-term relationships A trusted adviser, not simply a service provider.

LICENSED, REGISTERED, CERTIFIED

Every opinion we issue carries a registered credential behind it.

REGISTERED AUDITOR

UAE Ministry of Economy

Reg # 5794

Licensed to issue statutory audit opinions in the United Arab Emirates.

REGISTERED TAX AGENT

Federal Tax Authority

TAAN # 20057857

Authorized to represent clients before the FTA on Corporate Tax and VAT.

QUALITY MANAGEMENT

ISO 9001:2015 Certified

AE-25-1004403

A documented quality management system governing every engagement.

CROSS-BORDER REACH

UAE & UK Presence

Offices in Dubai, Sharjah and the United Kingdom serving both markets.

— IFRS and IFRS for SMEs reporting frameworks — International Standards on Auditing — UAE Commercial Companies Law compliance

Six service lines. One accountable relationship.

Integrated services covering every stage of a business, from first licence to orderly closure.

 01 Audit & Assurance Statutory audits, reviews, compilations and agreed-upon procedures.	 02 Corporate Tax & VAT Registration, computation, filing and planning across both regimes.	 03 Accounting & Bookkeeping Bookkeeping, monthly close, management reporting and outsourced finance.
 04 Business & Tax Advisory Strategy, financial planning, risk, operations and transaction support.	 05 Corporate Secretarial Company formation, licensing support and regulatory filings.	 06 Liquidation & Restructuring Liquidation, deregistration and orderly corporate closure.

SERVICE LINE 01

Independent audit. Clear assurance.

We deliver independent audit and assurance that strengthens controls, improves reporting quality and builds confidence with shareholders, banks and regulators.

01

Statutory Audit

Independent audit under applicable standards and UAE requirements.

02

Internal Audit

Control reviews, risk assessment and practical improvement recommendations.

03

External Audit

Objective assurance for shareholders, banks and other stakeholders.

04

Review Engagements

Limited assurance reviews and reporting support for business decisions.

05

IFRS Reporting

Financial statement review, disclosure guidance and reporting quality support.

06

Agreed-Upon Procedures

Targeted procedures for specific transactions, balances or compliance needs.

SERVICE LINE 02

Strategic. Compliant. Optimised.

End-to-end Corporate Tax and VAT services: ensuring compliance, identifying opportunities and managing tax risk as UAE legislation matures.

CORPORATE TAX

Corporate Tax registration and deregistration

Tax advisory and structuring

Computation, return preparation and filing

Transfer pricing support and documentation

Tax health checks and position reviews

VALUE ADDED TAX

VAT registration and group registration

Periodic VAT returns and filing

VAT advisory, planning and rulings

VAT health checks and audit readiness

Refund claims and FTA representation

01 Assess

Understand the business and its obligations.

02 Plan

Develop tax-efficient strategies and structures.

03 Comply

Ensure accurate filing and regulatory compliance.

04 Optimise

Identify opportunities and improve cash flow.

SERVICE LINE 03

Accounting that drives clarity and control.

Accurate, timely and compliant records, a complete outsourced finance function, or targeted support alongside your own team.

 Bookkeeping Accurate recording of daily transactions and up-to-date books.	 Accounts Payable Timely processing of vendor bills and payment management.	 Accounts Receivable Invoicing, collections and follow-up to improve cash flow.	 Financial Reporting Accurate and timely statements and management reports.
 Monthly Close A structured close process ensuring complete, reliable financials.	 Analysis & Insight Performance analysis that supports better operating decisions.	 Management Accounts Customised reporting packs tailored to your business.	 Systems Support Setup, support and optimisation of accounting software.

Error-free records, on-time reporting, adherence to UAE regulations and support that scales with the business.

SERVICE LINE 04

Strategic advice. Tax expertise. Stronger businesses.

Advisory grounded in the numbers we already know, three capability groups, drawn on singly or together.

GROUP 01

Strategy & Growth

Strategic and business planning
Feasibility studies
Financial analysis and forecasting
Budgeting and cash flow management
Performance improvement

GROUP 02

Tax & Risk

Corporate Tax and VAT advisory
Tax planning and health checks
Risk assessment and mitigation
Internal controls review
Governance and compliance advisory

GROUP 03

Operations & Transactions

Process optimisation and cost reduction
Systems and process review
Due diligence support
Valuation and transaction structuring
Post-transaction integration

Experienced professionals

Industry knowledge and practical insight, not theory.

Integrated expertise

Business acumen combined with strong tax capability.

Measurable impact

Recommendations tied to results you can track.

SERVICE LINE 05

Supporting businesses beyond compliance.

From incorporation to restructuring, we handle the administrative and regulatory work that keeps an entity in good standing.

 CORPORATE SERVICES

- Company incorporation
- Mainland and free zone business setup
- Trade licence amendments
- Branch registration
- Share transfers and corporate restructuring
- Corporate compliance and record-keeping

 REGULATORY & GOVERNMENT

- Establishment card
- Immigration and labour assistance
- UBO compliance
- ESR and regulatory filings
- Licence renewals
- Government clearances and NOCs

SERVICE LINE 06

Closing and restructuring, done properly.

Winding up an entity carries the same regulatory exposure as running one. We act as appointed liquidator and manage the process to final deregistration.

 Liquidator Appointment Formal appointment and issuance of the liquidator's report.	 Closing Audit Final statement of affairs and audit of the closing position.	 Creditor Settlement Asset realisation, liability settlement and distribution to shareholders.	 Deregistration Licence cancellation and clearance across all authorities.
 Tax Deregistration Corporate Tax and VAT deregistration with the Federal Tax Authority.	 Corporate Restructuring Group simplification, entity mergers and share reorganisations.	 Branch & Free Zone Closure Closure of branches and free zone entities under zone-specific rules.	Typical duration Most solvent liquidations complete within three to six months of appointment.

Where each service line applies.

SECTOR EXPERIENCE

Financial solutions across multiple industries.

We work across traditional industries and modern service businesses, tailoring the scope to how each sector actually operates.

TRADITIONAL INDUSTRIES

Trading & Distribution	Manufacturing	Real Estate & Construction	Hospitality
Healthcare	Professional Services	Technology & Startups	Family Businesses

SERVICE SECTOR & BUSINESS SERVICES

Marketing & Advertising	Web Design & Development	Digital Marketing Agencies	Software Solutions
IT Services & Consulting	E-commerce & Online Business	Education & Training	Logistics & Transport

Industry knowledge

Sector-specific challenges understood before we start.

Tailored scope

Engagements built around how the business runs.

Trusted partnership

Support that holds through change and growth.

HOW WE WORK

A structured process with partner-led attention.

Every engagement runs through the same five stages, so you always know where the work stands and who is accountable for it.

 STAGE 01 Understand Assess the business, its requirements and objectives.	 STAGE 02 Plan Define scope, timelines, responsibilities and deliverables.	 STAGE 03 Execute Perform fieldwork with professional care and regular updates.	 STAGE 04 Review Partner review, quality checks and practical recommendations.	 STAGE 05 Support Final reporting and ongoing advisory support.
What clients can expect Clear communication Timely status updates Practical recommendations	Quality at every stage Partner involvement Technical review Confidential handling		Long-term value Compliance confidence Better decision support Sustainable growth	

HOW THE WORK IS STAFFED

The partner who wins the work is the partner who does it.

No handover to a junior team after the pitch. Senior involvement is present at every control point of the engagement.

PARTNER	Scoping & risk	Fieldwork oversight	Technical review	Opinion & sign-off
MANAGER	Planning support	Day-to-day delivery	First-level review	Reporting draft
TEAM	Information request	Testing & evidence	Documentation	File completion

One point of contact

The same senior professional across every service line you use.

Faster decisions

Technical questions answered by someone authorised to answer them.

Continuity of knowledge

Your history is retained, not rebuilt at the start of each year.

SERVICE PRINCIPLES

We combine technical excellence, regulatory expertise and commercial insight to help businesses strengthen governance, remain compliant and achieve sustainable growth.

01 Integrity Honesty, transparency and ethical practice in every engagement.	02 Excellence Continuous improvement in knowledge, process and service quality.	03 Partnership Solutions aligned with each client's objectives and business goals.	04 Confidentiality Client information protected with complete professionalism.	05 Innovation Technology and modern practice that improve outcomes.
500+ Clients served	200+ Audits each year	500+ Tax engagements	10+ Years of practice heritage	3 Offices across two jurisdictions

THANK YOU

Let's build confidence in your business.
